

## 2. One on One Advisory Services

### **This program is for:**

- Business owners that have been in business from 5 to 10 years
- With a minimum of 10 employees
- With gross sales over \$1,000,000
- For example: a wholesale plant, multiple retail shops, franchises.

### **Working with a business advisor:**

- I will guide you and your team through the Wardell Program, transforming your business into a systemized operation;
- Meetings are conducted online via video conference with an agenda;
- We will revise the financials monthly together to keep an eye on any concerns;
- Material and resources are available to help systemize your business and are offered in English only;
- Unlimited support is provided between meetings, I am there for you!
- The amount of work required from you will depend on the pace of change you wish to achieve; I understand the time pressures of business, so the program is designed to alter the way you utilize your resources, rather than pile up more work on top of your busy schedule.
- All the meetings are offered in English or French, your preference.
- The Wardell books are available online in English, on different subjects: Leadership, Management, Marketing, Finance, Operations and Sales.

### **Benefits:**

- You work at your own rhythm;
- Your advisor is like an experienced partner with you, you get all his attention;
- Your business advisor will adapt the program to your own needs and will motivate you constantly;
- You learn how to invest your time on your business instead of in your business.
